The recent trip to Ghana was very busy and the time went too fast. I'll continue with some of the things that we saw and did on this trip.

We were able to spend time with Pastor Isaac Agyapong, who was kind enough to allow us to stay in his home. Pastor Isaac has started ten churches and has been working with Pastor Francis and Pastor Sam. *"Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth."* 2 Timothy 2:15

Eight people were baptized in Jesus' name by Pastor Isaac and Pastor Francis. *"And he commanded them to be baptized in the name of Jesus Christ."* Acts 10:48

We spent some time in one of Pastor Isaac's churches with the women and children of his village. *"Behold, children are a heritage from the LORD, the fruit of the womb a reward."* Psalm 127:3

Our mission is to reach the world for God and point them to Jesus

Lisa Wanta delivered hygiene kits to Comfort, Pastor Francis' wife, and explained how to use them. Because of the language barrier, it helped greatly to have picture descriptions and instructions included in the kits. The midwife will be in charge of distributing the kits to the women and girls in the village and anyone who comes to the clinic. Lisa was able to see the kits in use firsthand after a birth took place that day. She was so thankful for the women that had prepared these attractive, practical kits. When Lisa opened the suitcase to give the kits to Comfort, she said she wishes you could have seen Comfort's eyes light up when she saw the beautiful colored bags.

How thankful we are to the Lord and the contributors that made it possible for us to have a well drilled in Ghana at Pastor Francis' place! We were able to put in a bathroom with a shower, also. It was nice not to go to the lake for water that wasn't clean.

Doug and Greg

Doug Christie and Greg Davis were busy in the hot weather building desks for Pastor Francis' school. Greg and Doug also saw the need to put in a counter sink for Comfort. Otherwise, she had been washing dishes in a bowl on the ground.

Bibles are very much needed and appreciated. It seems that everywhere we go, and people know who we are, they ask if we have Bibles to give away. Ghana is a country where the word of God is valuable and treasured. School books are also needed and appreciated, and we do thank God for the donation of school books for this trip. "Oh, the depth of the riches and wisdom and knowledge of God! How unsearchable are his judgments and how inscrutable his ways!" Romans 11:33

I would like to take this opportunity to thank everyone who has taken a trip to Africa and those who have given support in helping the needy and getting the word of God out. Hopefully, on our next trip, we can take teaching materials to aid the pastors in spreading the word of God and to assist them in building more churches.

In Jesus name, God bless you.
