Report from Roy Wanta

In a few weeks from now, Doug Christie, Greg Davis and myself will be back in Ghana with Pastor Isaac and Pastor Francis.

Doug and Greg

Someone said to me that you must get a lot of satisfaction out of what you do! My reply was, "No, I have many sleepless nights – how do I raise money to help a widow; how do I help some orphan; and medically, how can I save a person?" Someone may need a serious operation, and without it, that person will die. But with a little help, for now, we could make a difference. In this country, people shut this out of their minds because they don't have to deal with this situation.

We bring you pictures that tell the story of widows who are victims of a society which treats them harshly and allows extortion because of their vulnerable condition.

above: "Turn Yourself to me, and have mercy on me, for I am desolate and afflicted. The troubles of my heart have enlarged; bring me out of my distresses! Look on my affliction and my pain..."

Psalm 25:16-18

left: This widow has been a single mother for over fifteen years since her husband died.

"Have mercy on me, O LORD, for I am in trouble; My eye wastes away with grief, Yes, my soul and my body! For my life is spent with grief, and my years with sighing..."

Psalm 31:9-10

 "...He who has two tunics, let him give to him who has none;
 and he who has food, let him do likewise." Luke 3:11*

*"For the oppression of the poor, for the sighing of the needy,
 now will I arise, says the Lord; I will set him in the safety
 for which he yearns." Psalm 12:5*

***"If you extend your soul to the hungry and satisfy the afflicted soul, then your light shall dawn
 in the darkness, and your darkness shall be as the noonday." Isaiah 58:10***

Pastor Isaac has been carrying out gospel campaigns in selected rural communities in Ghana. As part of the monthly outreaches, *I AM Ministries* and their partners have become "*development stakeholders*" who invest in the lives of the destitute. You know the gospel can be preached in several ways. We join together with Pastor Isaac in implementing "*gospel empowerment programs*" which help these poor people successfully function within their society by changing their mind-sets. "*Empowerment*" refers to equipping people with knowledge to steadfastly keep them with Jesus until death.

The building in the photograph on the upper left has lot of possibilities. It has been standing for a number of years, and our goal for this trip is to try to complete it. With the Lord's help, in answer to the prayers reaching to Him, we have hopes of finishing this building. It will be used as a church and a school and as a "*widows awareness*" center which will identify those who are truly widows and are in dire need. We are believing that funds will be provided to complete this project.

Also, *I AM Ministries*, in conjunction with *Pastor Isaac Agyapong Outreach Ministries* has decided to intervene in the growing epidemic of orphan/unwanted children. We plan to address this need in a sustainable way by putting up an ***orphan/unwanted children shelter*** to give each child, such as the one on the left, shelter, three meals a day and an education. Education will empower these kids to acquire needed skills and ultimately secure better employment. ***We call for sponsorship and partnership*** to implement this program.

I want to take this opportunity to thank the Lord for the compelling compassion of Doug and Greg. They have made many trips to Africa that have impacted the lives of widows and children. I would like to thank those in the USA that have had a part in meeting the needs, both financially and with prayer. You are not helping me, but those who are in dire need.

Thank you! *Roy Wanta*
