Report by Roy Wanta

We received a very disturbing report from Pastor Benjamin regarding Grace Azah, one of the widows who I had visited in January. She has lost her four-year-old son. Her son died from a disease called C.S.M. It is usually brought on by the extreme dry season, which is now.

"...the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted...to comfort all that mourn; to appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness..." - Isaiah 61: 1-3

Because Charlie, the blind man, was wasting his life away, we needed to do something for him. Rather than having Charlie sit all day long doing nothing, we have enrolled him into a rehabilitation center for the disabled and blind. We will be supporting Charlie each month for food and teaching costs and living expenses for about one year, if we can. In speaking with Pastor Francis last week, Charlie is doing very well making doormats, baskets, and sandals. If he continues, after one year, he will be able to start on his own. However, because of Charlie's disability, he needs someone to spend time watching over him and assisting him in making a living. Therefore, this operation of production will have to include another person, requiring provision for two.

"For I the Lord thy God will hold thy right hand, saying unto thee, Fear not; I will help thee." - Isaiah 41:13

Our mission is to reach the world for God and point them to Jesus

Report from Pastor Simon Ekumah of Nigeria

Kind greeting to you, sir, Roy! By the grace of God, I see your passion toward my village, and for my family also. May the Lord continue to uphold you and your family, including all your associates and the people of **"I Am"**.

My village is surrounded with many serious needs and there is a problem with people having great hopelessness. Because no one cares, there's no good water available, and now, extremely harsh heat conditions have made it more difficult. The people find it difficult to have water because they have to travel a long distance to fetch it from a stream which is not good for human consumption. It has many contaminants that cause diseases, which lead to frequent problems critical to life. Some are living in extremely poor living conditions with no doors or windows.

I'm addressing **"I Am" World Missions** to give any form of assistance that would enable the people to get a mustard seed of relief. If a borehole [well] would be drilled, many people around my village would benefit, including the widows and the less privileged. This borehole will help to maintain chickens and raise goats. By the drilling of a borehole, the illnesses of my people will also be reduced.

Thank you,
Pastor Simon

God has given us direction to help with the drilling of a new well, which is badly needed in Nigeria. Their people have to walk about a mile for water. Pastor Benjamin from Ghana has just flown to Nigeria. He will be holding meetings with the widows and working with Pastor Simon, who I met seven years ago in his village in Nigeria. It has become too expensive to fly to Nigeria from the USA and there are problems with the extreme Muslim terrorism, so it will be easier and less expensive for Pastor Benjamin to go there and oversee the well project. The people are very hardworking and the need is great. Pray for Pastor Benjamin for the task he has taken on.

"Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world: For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink...Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed thee? or thirsty, and gave thee drink?...And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." – Matthew 25:34-40
