Report by Roy Wanta

On my last trip a few months ago, we received Certificates from the government to operate the school which we have started more than a year ago. This is not an easy achievement which Pastor Benjamin achieved, to be legal to run a school. Sometimes it takes many years to get the okay to open and operate. We are happy to report we will be reopening the school to continue.

James 2:5

Listen, my dear brothers and sisters: Has not God chosen those who are poor in the eyes of the world to be rich in faith and to inherit the kingdom he promised those who love him?

Juliana Oduro is a 56 year old widow with 4 children. She always works hard to take care of them, by selling a popular Ghanaian local diet known as Accra kenkey (similar to sour-dough). Where she sleeps with her children, was meant for government road project and unfortunately for them, two days ago, there has been a demolishing exercise. That day it also rained heavily and Juliana and her children didn't have any place to sleep for the night. Therefore Pastor Benjamin has temporarily accommodated them with a place to stay.

Juliana and her children need a place of their own to live.

Proverbs 19:17

*Whoever is kind to the poor lends to the LORD,
and he will reward them for what they have done*

Hagar Antwi is a 47 years widow with four children living in a very hash condition. They are staying in a dilapidated chicken coop which has been cleaned up temporarily to house them. Now the rain has set in and you can imagine the condition they are in whenever it rains and also the small amount of food they have to eat.

It all started when her husband fell sick and his extended family members took him to a fetish priest for healing. The priest gave them direction that they should shave Hagar's hair for rituals but she refused to the demand of the fetish priest. However when her husband unfortunately died, they blamed it on Hagar calling her a witch who has killed her husband. Therefore she has been driven away with her children from their home.

With the Lord's help moving on people that help this ministry, Pastor Benjamin was able to get her out of living in a rainy chicken coop to a dry place and with mattresses to sleep on

Proverbs 22: 9

*The generous
will themselves be blessed,
for they share their food
with the poor.*

“Carry each other's burdens and in this way you will fulfill the law of Christ.” Galatians 6:2
