## Report by Roy Wanta

If you remember **Martha Nyarkoh** was in our February newsletter. The home that they were living in was in such terrible condition that the town council was having it torn down and Pastor Benjamin put her in one of the classrooms for a temporary sleeping area. I am pleased to tell you she is now in her own place with a new bed and mattress instead of the floor to sleep on. The happiness is fulfilled for this family. *She was thankful that "I AM" WORLD MISSION was able to her out.*

**Afia Owusua** was in our last newsletter where her husband died and his family was putting her and her children in small living quarters and was destroying her business. Afia and her four children are now living in a different home and thanks to caring people that help **"I AM" WORLD MISSION**, she did not have to use her business money to move to a different place and she can continue her business and be self-sustaining. **THANK YOU.**

**Isaiah 32:18** My people will abide in a peaceful habitation, in secure dwellings, and in quiet resting places

Remember **Rebecca Zisou** that needed the eye surgery in our March newsletter or she would go blind. Well there was someone that came forward that wanted to help this woman, who is a hard worker at the “I AM” School. She has had the surgery, and it was a success. She will be able to return to work soon. *Thank you so much for hearing this plea and making it possible for her to regain her sight.*

**Nana Yaa** is a 38 year old widow from the northern part of Ghana who rejected the custom of marrying her deceased husband's brother. She therefore had to escape with her three children to Kumasi in Ejisu. However she had to leave behind her seventeen year boy because the boy is in support of his mother getting married to his uncle.

Nana Yaa has gotten a job as a cleaner at a public wash room. She has no place to sleep except this collapsed building. This might be okay for them during the dry season, but the rain will start in just a few weeks and it will be a disaster.

*I am therefore requesting if we can help them by getting a room for them. They would be very pleased if their request is granted. Thank you Pastor Benjamin*

### **Luke 4:18**

*“The Spirit of the Lord is upon Me, Because He anointed Me to preach the gospel to the poor. He has sent Me to proclaim release to the captives, And recovery of sight to the blind, To set free those who are oppressed.”*
