Ama Nyanta is a 71 year old widow who had three daughters. Two of the girls were killed in a terrible accident leaving behind seven in total of children.

Ama Nyanta was the only one left to take care of the seven children. Besides her grandchildren she has to take care of her remaining daughter, who is sick. All of them (9) are living in a small room. Such small quarters makes them susceptible to illnesses. Life has really gotten very tough for Ama, a widow.

Therefore a request from Pastor Benjamin has been presented to get an extra room, a bed and some food.

God Bless those that could help in this situation.

Gladys Naa

This is Gladys Yaa, whose husband died one year ago from a snake bite. She is struggling to take care of the 4 children but things are not easy at all for Gladys. This is another situation that her rent is expiring and she has no hope of anywhere to go. Such a desperate feeling of not knowing where you are going to go for help. She is therefore bringing her request to

"I AM" WORLD MISSION for help.
She will be very glad if her request is conceded thank you

Proverbs 28:27 He that giveth unto the poor shall not lack: but he that hideth his eyes shall have many a curse.

Vida Amponsah is 52 years old and is a widow with three children. She used to sell eggs for a living, she and her husband operated a small poultry farm. After the death of her husband she continued with the farming, but out of enviousness somebody poisoned the birds and about five hundred birds died in one day. She suspects some of her late husband's brothers who were struggling with her about the property, were responsible for it. Now Vida has no job to support her family. She wants to go back into just the egg selling business, which she used to do before entering into the poultry farming, this way she could be self-sustaining to take care of the children. She's asking for some help to get her back on her feet. She would be so happy if you would consider helping her. **Thank you.**

Attaah is 71 years old. She lost her husband a number of years back and has been doing farm work to support herself. She has one son but he left her about 15 years ago and has had no contact with her. She has now gotten old and it has gotten difficult for her to do the farm work. She is growing weak and her frame just isn't able to do it anymore. Therefore **Pastor Benjamin is asking if "I Am" World Mission would be able to help her with some food and comfort.** Thank you.

Salomey Pokuaa's husband was a night security guard in a private school. He was able to take advantage of his place of employment and just lived at the school's storeroom with his wife and 4 children.

Salomey, who is 42, has lost her husband and the school has served her with an eviction notice. **She needs help to find a place to live and to pay the rent.** This would be such a great blessing to this family.

Ezekiel 16:49

"Behold, this was the iniquity of thy sister Sodom, pride, fullness of bread, and abundance of idleness was in her and in her daughters, neither did she strengthen the hand of the poor and needy."
