Kate Donkoh is 39 years old and is a widow whose husband died two years ago. The only way she could take care of her two children was by selling roasted yam on the road side. Life had become very difficult for her after the covid pandemic therefore *Pastor Benjamin had requested assistance for some food support and a little amount to push her business forward.* She was so delighted to receive the help.

Vida Owusua is 65 years old. She was married for 43 years when her husband died and they didn't have any children. In most African settings it means she can not have any portion of her/their property, so what happens to Vida? She is now surviving on selling petty things and because she does not have a place of her own, is staying with her neighbor. They sometimes will borrow money or take items from her and not pay her. Even the children steal from her. What Pastor Benjamin perceives is that after they have collapsed her business they will eventually throw her out.

Therefore *Pastor Benjamin recommends that we get her a room of her own and a big storage box to keep her items safe.* Vida would be so grateful if her pleadings would be considered.

Psalms 119:76 Let, I pray thee, thy merciful kindness be for my comfort, according to thy word unto thy servant.

Nana Yaa is the widow that ran away with her three children, from being forced to marry her husband's brother.

Pastor Benjamin had requested help to find a place for her to live. *She is cleaning public washroom for a living. We are pleased to let you know that she has a new place to live that she will be able to keep dry and sleep on a mattress with some extra food. She is so thankful for the answer to prayers.*

Doris Opoku who was in our March newsletter had been thrown out by her brother-in-law or her forced husband, because he blamed her for his misfortunes. Pastor Benjamin was able to find a place for her and the three children. *They are now able to begin a new happy chapter in their lives, thanks to people that are willing to extend a hand in the time of need.*

We are also pleased to announce that we have been able to add another classroom in the school.

Attendance is 203 students and hopefully we'll be up to 300 children that will be taught in a Christian setting.

Proverbs 14:26
