**Cecilia Mensah** is 55 years old and a widow. She is such a hard working and industrious woman that we never anticipated of including her to our widows list who need help. She would supply us fish to prepare food for our school children. We lost contact of her for the past six months but about three days ago we were informed of her predicament. I went to visit her and she told me that she was knocked down by a car and the driver did not stop to attend to her. She had been hospitalized for four months and she is a lot better but she is not working yet. I would like to help her by giving her some food support if that would be possible. *I'm pleading for "I AM" World Mission to answer to this need.* Thank You, Pastor Benjamin.

**Ama Sunkwa** lost her husband 4 years ago. She has 6 children and has been working so hard to feed them. Now at the age of 50 she has become sick for the last 3 months, however she is recovering but still unable to work as she did before. Not only was she dealing with her recovery but now she got hit with another set back, her shelter has been destroyed by the seasonal rains. A good Samaritan has temporarily given them accommodations during this rainy season. Pastor Benjamin is asking if "I AM" World Mission would *help with their housing so they wouldn't have to worry where their going to live.* They would be so happy if we could help them out. Please consider helping this family out.

**Deut 5:11** For the poor shall never cease out of the land: therefore I command thee, saying, Thou shalt open thine hand wide unto thy brother, to thy poor, and to thy needy

What an interesting situation we have to tell you about **Comfort Talata**, in Ghana, who is 44 years old and lost her husband about seven months ago. After the necessary funeral celebrations, a 27 year old boy was appointed to succeed her husband and also to marry her. There is a 17 year age difference. Comfort refused the orders and she therefore knew the consequence and had to escape with all her four children from the northern part of Ghana to the southern, specifically Ejisu. She has been given a temporal shelter on someone's farms but the place is too small and since this is just temporary, Pastor Benjamin is requesting help to get them a room so that people will not take advantage of their condition and jeopardize the life of her three girls. They would be very happy if their pleadings are considered. *Thank you.*

*From our last newsletter you have Attaah, Salomey, Ama Nyanta and Vida receiving their items and so grateful to those that helped in prayer and finances. May God Bless You*

**Deut 5:14**

*“Thou shalt furnish him liberally out of thy flock, and out of thy floor, and out of thy winepress: of that wherewith the LORD thy God hath blessed thee thou shalt give unto him”*
