Back in Nigeria, *Pastor Simon in Enugu and Onitsha* is preparing the land to plant yams, after the first rain. The ground is to hard right now. You have his family and even his 3 year old granddaughter

that wanted to help. The grass first had to be burned to keep the snakes out.

The well that was drilled in the village had to have some maintenance done on it for leaky pipes, so Pastor Simon had it fixed.

The Cassava mill is still operated by the widows in Enugu so they can be self-sustaining.

Ephesians 2:4 *But God who is rich in mercy for his great love wherewith he loved us.*

Yaa Ataa is 38 years old and a widow with one child. Poverty has really been bad and she decided not to spend money on food for herself but on her little boy. What she did was chew on cola nuts all the time so that she will not feel the hunger. It now has taken a negative effect on her body. She now has ulcer in her stomach, swollen face, hands and feet.

She has no money to go to the hospital. If Yaa should die, what would happen to the little boy? Therefore Pastor Benjamin is pleading on their behalf to "I AM WORLD MISSION to help them. They will be happy if their pleadings are conceded thank you.

Last month there was a celebration at the "I Am" School of Ghana where high officials, chiefs and a representative from the GHANA EDUCATION SERVICE attended. Awards were handed out to performing students and teachers for their service in education.
