In our January Newsletter we had a story about **Yaa Ataa**, who was 38 years old and a widow with a son. She would not eat but chew on nuts to curve her appetite and use what money she had for her son's food. She was really in critical shape and when Pastor Benjamin discovered her he put her in the hospital however shortly after she did die. Her obituary picture is from the age of 33 and she died at the age of 38.

PSALM 1:6 For the LORD knoweth the way of the righteous:
but the way of the ungodly shall perish.

Hawa Sule is 79 years old and a widow who is having a very tough task on her shoulders. At 79 is has to take care of 4 grandchildren, who are orphans. Let alone, things have become so much difficult for her because of the current economic condition. Sometimes the children are forced into working at places that are not meant for children, like sawmills just to earn some money. Pastor Benjamin therefore pleads for help from "I AM" WORLD MISSION on their behalf. Thank You.

Dora Safo is 35 years old. After the death of her husband, she had some ailment and she became partially blind. So her late husband's sister took charge of taking care of her three children. Later her own family members forced her into another marriage and after becoming pregnant the man left her behind. It's been almost a year now and her family members who forced her into this marriage have turned their back on her. Being left so alone in these difficult situations Pastor Benjamin wants her to know that she is not alone and that there can be help for her. He is asking "I AM" WORLD MISSION on behalf of Dora and her small baby to come to their aid and help them with some food.

Abiba Akobor was introduced to idol worshiping by her late husband. She is now 64 years old and has lost her husband and 4 sons to a strange disease. She has one son living and has left idol worship and turned her life to Jesus. She sells fruit for a living but during these times of economic hardship in Ghana the fruit has sky rocketed and the weather is not best for the fruit. Hunger has become intense for her and her son. She is trying hard to keep body and soul together but times are difficult for them. Pastor Benjamin is asking "I AM" WORLD MISSION to provide them with some food so they will have some relief. Thank you

Ephesians 4:28 but rather let him labour, working with his hands the thing which is good, that he may have to give to him that needeth.
