Elizabeth Akyaa is a widow who is 69 years old who never had children in her 48 years of marriage with her late husband. This means she can not claim any property of her late husband. Therefore she is on her own and now has gotten ill, however the good Lord has brought a Good Samaritan lady who has only a little for herself and her three children but has volunteered to help Elizabeth by keeping her in their home. Pastor Benjamin has asked if "I Am" World Mission would consider his request and help Elizabeth and the Good Samaritan lady with some food. **Thank you.**

Comfort Dede is 57 years old and is a widow with two children, boy who is 11 years and a girl who is 7 years old. How tragic 4 years ago her husband and also three of her older children died in a car accident. She has struggled a lot by selling pastries to take care of herself and her 2 children. Just when you think she has a big burden she was robbed of her capital. The economic hardship in Ghana is very difficult for her, she couldn't even buy a bag of flour to

prepare pastries and she has now been ejected from her room for defaulting on payment. Comfort is a very hard worker and I am sure if she is given a little help Comfort can do better. Therefore on their behalf, Pastor Benjamin is asking "I AM" WORLD MISSION to come to their aid. Thank you.

Seidu Idrisu Briamah is the muslim who has converted to Christianity. It is a very big step for a muslim to turn to Christianity. We had helped him in the past when he needed a hernia surgery and to get started in a business so he could provide for his family. He is having problems with his abdomen and he has to go through surgery so that he can be relieved of the pain he is going through. In the photo you'll see him in the hospital bed with Pastor Benjamin's wife, Janet. Pastor Benjamin is asking for help not only in finances but also to keep him in prayer that surgery will go well. *May God Bless*

These are the two groups of widows from Fumesua and Konongo that received rice, oil and sardines. Also pictures of Abiba and Hawe that received help.
