Juabeng Serwaa

Here you have **Juabeng Serwaa, Gifty Ntim and Atta Akoto** after they've received their gifts. They are so happy now, we can't imagine it.

I was so happy to return to **Ghana** and spend the month of **September** there. It was so nice to see Pastor Benjamin and rewarding to see all the work that was done with the school and to visit the widows that we've been able to help. While I was there Pastor Benjamin and I were able to visit some more widows that are in need of help. Thank you for supporting "I AM" World Mission Outreach Ministry.

2 Samuel 10:2

Then said David, I will shew kindness unto Hanun the son of Nahash, as his father shewed kindness unto me.

Rosemond Ntiamoah is a 52 year old widow she was formally a teacher, at a private school. She had diabetes and hypertension and couldn't do any work, and so she had to resign from teaching. Her husband was alive and was taking care of the family, but he died seven months ago. She has to take care of her two children and her rent is due. Her land lord is harassing her so much that she is always thinking of what to do, which is also not good for her health. Therefore Pastor Benjamin is asking if "I AM" WORLD MISSION would be able to help. She would be so happy if she could get some help. Thank You.

Patrica Obeng Abena is a widow that we helped last year to get a place to rent and we helped feed her three children. Patrica is very good at doing hair and would like to have her own business. Pastor Benjamin is asking for assistance to help her get on her own and then she would be self-sustaining.

Esther Anin is a widow that we've been able to help get into a food preparation business and Pastor Benjamin is asking for help to provide table and chairs for people to sit down at her place. No only would it be appealing it would help her to improve her business and be better at sustaining her needs.

Psalms 119:76 Let, I pray thee, thy merciful kindness be for my comfort, according to thy word unto they servant.
